

4-TIER LUXE ACRYLIC SHOE SHELF

Pieces included:

- 4 x Acrylic Panel
- 12 x Taller Acrylic Poles
- 4 x Acrylic Poles
- 4 x Screws
- 12 x Threaded Connectors
- 4 x Silver Caps
- 4 x Brass Caps
- 1 x Phillips Screwdriver

Instructions

1. Screw 12 Threaded Connectors into the 12 Taller Acrylic Poles as shown in Drawing 1.
2. Attach Taller Acrylic Poles to one of the Shelves, being sure to screw it all the way in. The lip on the Shelf should be on the same side as the Taller Acrylic Poles. Now, attach Shorter Acrylic Poles to the bottom of the Shelf, being sure to screw them all the way on.
3. Attach second Shelf to Taller Acrylic Poles in the same manner, until all but the top Shelf are connected.
Decide which color Caps you want to use. Place that color washer from Cap over each of the 4 Screws. Place top Acrylic Shelf on the top of the Taller Acrylic Poles and use the screwdriver to tighten Screws with washers to attach the top Shelf. Please refrain from over-tightening the product after securing. Then screw on Caps.
